VISIT STUDY

"21st century skills -- innovative learning"

Krakow, Poland

Agenda

April 10–13, 2018

AGH University of Science and Technology

Participants: https://goo.gl/hdvxuc

Prerequisites - on-line course		
The online course "Keep calm and Moodle" in a daily challenge format. Participants have a daily online activity (approx. 30 min. workload) that helps then understand online learning and teaching. They also explore the most popular e-learning platform - Moodle. A workshop in Kraków will be based on the outcomes and reflection from the online course so it is important the same participants are engaged in both trainings.		
March, 30th	Participants receive info about login and access	Tutors: Beata Tworzewska-Pozłutko, Karolina Grodecka
April, 2nd	Start of the course. Online discussion for group integration	
April, 3rd	Drawing online maps for your online presence	
April, 4th	Empowered by sharing	
April, 5th	Online collaboration	
April, 6th	There is life outside Moodle
